SHRINERS AND GUESTS TO HONOR POTENTATE ADAIR

Head of Yaarab Temple to Be Complimented for Success of Recent Convention

Shriners of Yaarab temple and a number of invited guests from Atlanta and other southern temples are looking forward with anticipation of much pleasure to the dinner at Druid Hills Golf club Monday evening at which Potentate Adair, illustrious potentate of Yaarab, will be the guest of honor. This is to be the affair at which Mr. Adair will be complimented by the fellow nobles of Yaarab temple on the excellent evidence of their appreciation of his leadership in plans for the recent convention of Shriners. Concrete evidence of their appreciation will be presented to him in behalf of all Yaarab temple by John A. Hynds, past potentate. Informal and brief speeches will be made by Governor Blanton, Mayor Woodward, and others including Ernest Adams, of Savannah, an officer of the imperial council of Shriners.

Officers of several neighboring southern temples have been invited to the affair. Among these are Robert L. Colding, representative of Alee Magbie, Savannah; David W. Crowland, potentate of Hamaqua temple, Atlanta; and G. Glenn Toole, potentate of Al Sham, Macon.

The dinner will begin at 6:30 o'clock and will be informal. Shriners will wear their business suits and will carry their hats. Ladies will be invited to the club. Ladies will be invited to the club. Ladies will be invited to the club.

Very few subscriptions of the popular fund remain unpaid. In Monday's mail from Edgar Watkins, 11 Wharton Mitchell, 191, Ed. Watkins, the Atlanta lawyer now in the service of the interstate commerce commission, sent his check from Chicago.

"I have been holding hearings in South Dakota and could not get out of the office until today," he wrote, "so I did not know of the commendable move to honor Potentate Adair."

"In the great northwest hundreds of people know Potentate Adair, and the papers are full of eulogistic comments on Atlanta's hospitality. The St. Paul, Minn. S. D. paper carried a column article on Atlanta and commended Atlanta on the way she entertained the Shriners."

"Although I've been living in Jacksonville for the past two years, I haven't lost interest in Atlanta," wrote Wharton Mitchell, sending his check for \$10. "I feel that Mr. Adair has done the city great good."

"I am glad indeed to have the privilege," wrote Edwin R. Haas, sending his check for \$5. "The city of Atlanta under lasting obligations to Mr. Adair."

"When the fund is complete, the names of all subscribers and the amounts they paid will be published. These names will be preserved also in a book which will accompany the gift."

NATIONAL PROHIBITION IS COMING, SAYS JACKSON

Men and Religion Forward Movement Head Predicts Entire Abolition of Liquor

In an address before the Christian Endeavor society at the North Avenue Presbyterian church Sunday night, Vernon Jackson, leader in the Men and Religion Forward Movement, declared that he discerned in the signs of the times the hand of God working for the betterment of mankind.

Mr. Jackson's discourse was "The Hand of God in Recent Events," in which he referred to the banishment of liquor and the officers "who meet from the navy and navy retain Bryan's taboo of spirits at his table. In the same breath he exhortated the newspapers for the frivolous comment directed at these actions."

The speaker referred to the attitude of President Wilson toward Mexico and his support for his position leaning toward peace through mediation. He foretold his remarks, Mr. Jackson raised the city fathers for allowing saloons to remain open after hours during Shriners week and freely predicted that national prohibition was soon to solve the liquor question in this country once and for all.

"GAS" CHEAP WITH A SAXON

MR. L. BARNES, SALESMAN AND LOCAL BARNES FORCE FOR SAXON

An average of 34.75 miles to the gallon of gasoline was the remarkable record made by Saxon cars in the 50-mile Saxon non-stop contest for dealers May 14, according to the first batch of reports to be received.

In this contest 150 Saxon dealers were entered from all sections of the country. Each of the competing cars was driven 50 miles without stopping the engine—a total of 24,000 miles of continuous service under all conditions of roads and weather. Each driver was accompanied by a newspaper man who acted as observer and checked the amount of gasoline consumed.

The average mileage scored was at the rate of less than one-fourth cent a mile for fuel for each passenger. Where conditions were most favorable, as in New Rochelle, N. Y., Des Moines, Ia., and Webb City, Mo., an average of better than forty-seven miles to the gallon was secured. Despite heavy rains, muddy roads and steep hills in some territories, all but six of the contestants did better than thirty miles to the gallon. The lowest score was 24.7 miles per gallon.

Reports show also that an average speed of 23.5 miles an hour was maintained by the Saxons throughout the run. One dealer averaged 27.6 miles, and another on a short speed test managed to get his car up to 45 miles an hour.

COUNCIL MAY TAKE BACK \$15,000 APPROPRIATION

Pryor Street Money Not Expected May Be Recalled to Meet Other Needs

It seems likely the finance committee of the city council, when it meets on the 26th, will be asked to take back the appropriation of \$15,000 to regrade South Pryor street, which has not yet been expended, and take back various other appropriations, to "make both ends meet" financially.

In preparing the January appropriation, the finance committee estimated that the city's revenue from ad valorem taxes for 1914 would increase \$115,000 over 1913, which estimate was conservative as compared to the rate at which the tax revenue has been increasing for the past several years.

It develops, however, that the assessments on the city's property for 1914 are not sufficient in excess of \$115,000 to produce this additional revenue.

Consequently the finance committee, instead of having a margin over the anticipated \$115,000 for use in the June appropriation, as it usually does, will find itself compelled to shave down every appropriation where shaving is possible, and furthermore to take back certain appropriations in order to make the deficit.

The committee will meet at 9 o'clock Tuesday morning to commence work on the June sheet.

MAN SENTENCED TO HANG GIVEN MONTH'S RESPITE

Jim Cantrell, Who Was Convicted as Accessory in Murder Case, Gets Stay of Execution

A month's respite has been granted by Governor Slaton to Jim Cantrell, who was under sentence to be hanged on Friday, May 29, in the case of the murder of Arthur Hawkins. The governor, in allowing this respite, the governor stated that he was moved to do so in order that this execution might be set for the same date as that of his brother, Bart, who is under sentence to be hanged on the same day.

Mr. Arthur Hawkins, wife of the murdered man, is serving a life sentence at the state farm at Milledgeville, having been convicted of an accessory to the slaying of her husband. It was contended by the state that Mrs. Hawkins and Jim Cantrell, who were indicted together, conspired to murder the victim and that it was committed by him.

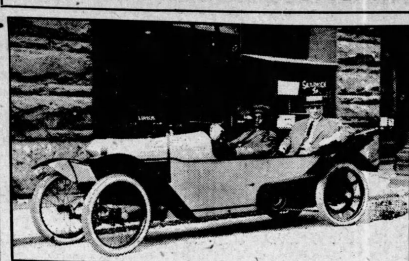

Mr. Cantrell's brother, Bart, was hanged by the state supreme court.

BECKER PREPARES NOTES TO SECURE THIRD TRIAL

NEW YORK, May 25.—In the preparation of his appeal from the verdict of guilty on the charge of having instigated the murder of Herman Rosenthal, one of the routine work of the defense is the preparation of notes on the case by Charles B. Becker. Already Becker has prepared notes on a mass of papers left with him by his counsel. Before Friday, when he will appear before Justice Samuel Seabury for sentence, Becker hopes to have the groundwork of his appeal far enough advanced for his lawyers to take up his fight for a new trial without delay and ultimately to have it ready for argument not later than next October.

District Attorney Whitman is said to be working on features of the case and growing out of the testimony of several witnesses who, it was believed today, may be prosecuted for perjury.

The loving cup will be an acknowledgment by the Atlanta Moose of Vice President Marshall's dedication speech last July at the opening of the orphan's home of the order in Milledgeville. The vice president also laid the cornerstone of the vocational school there.

Field and line officers of the Fifth Georgia regiment will ballot Monday night at 8 o'clock to break the tie of Capt. W. H. Leahy and Capt. Oscar Palmour for major of the second battalion.

The vacancy was occasioned through the election of Major Hendrix to lieutenant colonel, vice Colonel Griggs. It will, however, be filled by the promotion of Capt. Edgar E. Pomeroy last winter. On two previous occasions the election for major has been held and on both occasions the candidates have received the same number of votes.

LEE AND BEAVERS SPEAK MINDS TO EACH OTHER

Councilman Objects to Chief Protecting Cotton Mill Property From Strikers

A lively exchange of words between Councilman Jesse B. Lee and Police Chief James L. Beavers took place at the police station Monday morning as the result of mounted policemen being stationed on the property of the Pullman Bag and Cotton mill to prevent acts of violence on the part of striking cotton mill men.

Hearing the men were there, Councilman Lee went to police station and informed Chief Beavers that the money of the taxpayers has no business to be spent in protecting the property of a rich corporation.

Chief Beavers replied that Councilman Lee is not running police department and that the men would stay around the cotton mill as long as he saw fit to keep them there.

Councilman Lee and Chief Beavers were at the city hall afterward, and both spoke of what had passed between them in a laughing way, neither seeming to hold any resentment against the other.

The presence of the mounted men on the cotton mill premises was the result of an attack Monday morning on a Georgia railroad switch engine backing a freight car into the cotton mill siding. A crowd of men and boys, alleged to be striking mill operatives, pelted the engine with stones and bricks.

Police station rushed several officers to the scene and they arrested W. E. Fleming, aged thirty years, of E. Beaman place, and C. F. Rinder, aged eighteen years. The chief Beavers assessed their bonds at \$1,000 each. Both denied being in the crowd that pelted the engine.

The engineer and fireman escaped injury by getting underneath their seats as the engine passed the crowd.

R. A. Wilson, Poison Patient at the Grady, Refuses Information

R. A. Wilson, aged twenty-seven, is in the Grady hospital under care of the physicians as a poison patient. He was received there Sunday afternoon following an ambulance call at 2:30 o'clock from the ninth-story of the Atlanta National bank building. The ambulance attendant reportedly was despondent. The two men are said to be cousins.

Wilson, himself, though conscious, would make no statement at all. In answer to question he repeated, "See C. M. Wilson." C. M. Wilson was almost equally reticent, however. He said that R. A. Wilson came from Luthersville, Ga., was living at 541 Whitehall street, was unemployed, and probably was despondent. The two men are said to be cousins.

When he was received at the hospital, R. A. Wilson declined to tell even his name. That was learned from papers in his pockets.

Steps in Front of Engine While Making Up Train at Social Circle

(Special Dispatch to The Journal.) SOCIAL CIRCLE, Ga., May 25.—Conductor Charles F. Green, who was operating the trains of the Georgia railroad between this place and Monroe for twelve years, was run over and badly mangled by his own train this morning at 6 o'clock at the depot while making up his train for a return trip to Monroe. He died two hours later.

He had apparently stepped out of the way of a passing freight train in the path of his own train which bore down upon him from beneath the bridge. He was taken to the drug store of Dr. I. N. B. Spence, rural physician, where it was evident the shock was too severe for immediate treatment. He was removed to his room at the Brown house and died about 8 o'clock.

"A Purchase"

Of 100 Warm-Weather China Silk Dresses In Black, Navy and White to Sell at

\$7.50, \$8.57 and \$11.75

We will not go into the details of the purchase that makes possible the selling of such fine little dresses at \$7.50, \$8.57 and \$11.75. It is unnecessary—the dresses proclaim to the knowing woman that their values are dollars more than their prices.

The China silk is perspiration proof, light; the summer silk to the highest degree—of the thermometer.

But the styles—at \$7.50, the skirts are in tiered ruffles, the short sleeves set back into the shoulder; the collars low. At \$8.75, a long tunic skirt, raglan sleeves and low collar hemstitched, crushed girdle. At \$11.75, a flounced skirt, bow trimmed sleeves, low cut neck and turn-back collar.

It will not be hard to pick a style you will like.

The New Skirts Are Many and Various

The call for the new separate skirts finds its justification in the attractive styles makers have given us this season.

And it seems that this display of skirts does full justice to the styles. Let's see, suppose a woman were looking for—

A Wash Skirt, she would find here plain pique skirts, rep skirts, crepe skirts, the new rough plaid (all white) crepe skirts, and new black and white checked and colored plaid skirts, ranging from \$1.98 to \$8.75. Some of these would be ruffled and flounced and some would show the long tunic of favor.

A Wool Skirt, she might choose from the ever satisfactory serge, from poplin, crepe, diagonal poplin and the fine royal chudde (the new silk and wool mixture), in black, navy and checks

and plaids. She might have a very plain style or one with as many ruffles and flounces as she chooses, or the Russian tunic skirt—these are priced from \$5.00 to \$15.00.

A Silk Skirt, her choice might be a taffeta, a poplin, a moire, a novelty crepe poplin—with ruffles, with graceful flounces, with a long over-draped tunic.

Certainly she would find the most attractive styles that have been brought out this season. Will you see them?

There are many ways of attaining it, no doubt, but we submit that furnishing the home and the lawn with such light furniture as we have gathered this season is one of the best for the whole family.

The Lawn Chair pictured at \$1.50 is a chair to be easy and therefore cool and comfortable in. Moreover, it is especially priced. Natural color hardwood frame, the back and footrest of green and white striped canvas—adjustable back. The same without the footrest is \$1.25.

The Swing pictured is \$12.00. For four passengers. Adjustable back of natural hardwood, the uprights are in red. The canopy green and white striped. The same without the canopy is \$8.50.

Another splendid value in Swings is this one, at \$6.50. Hardwood frame, natural color, red uprights, for four passengers. The same is true of a hardwood settee, red frame, at \$1.50.

A porch hanging swing at \$5 is a sturdy, fine affair—we put it up anywhere within the city limits at no extra cost—48 inches wide, fumed oak seat and arm rests.

THIRTEEN NEW CARDINALS CREATED BY THE POPE

Secret Consistory Held by His Holiness at Vatican Monday Morning

(By Associated Press.)
HOME, May 25.—The secret consistory held at the Vatican this morning Pope Pius created thirteen new cardinals.

A number of bishops from various countries also were confirmed in their sees.
At the same time official announcement was made of the creation of Monsignor Jello, patriarch of Lisbon, as cardinal. His name had been reserved "in pectore" at the consistory of 1911. The ceremony, which was accompanied by all the brilliance usual on such occasions at the Vatican, was preceded by a brief allocution after which the names of the new cardinals were announced as follows:

Monsignor Louis Naxos Begni, archbishop of Quebec, Canada.
Monsignor V. Gubaud, archbishop of Toledo, Spain.
Monsignor Domenico Serafini, assessor of the congregation of the holy office.

Monsignor Della Chiesa, archbishop of Bologna.
Monsignor John Cernock, archbishop of Exeter, Hungary.

Monsignor Francis von Bettingen, archbishop of Munster, Germany.
Monsignor Felix von Hartman, archbishop of Cologne, Germany.
Monsignor G. Pini, archbishop of Vienna, Austria.

Monsignor Philipp Giustini, secretary of the congregation of the sacraments.
Monsignor Michael Lega, dean of the tribunal of the Rota.

Monsignor Leopoldo Teuchi, assessor of the consistorial congregation.
Monsignor Victor Irenes Revin, archbishop of Lyons, France.

Rev. Francis Aidan Gasquet, president of the English Benedictines.
The pontiff was surrounded by all members of the sacred college living in Rome, and by those who are now here, including Cardinals Gibbons, Farley and O'Connell.

The pope appointed Cardinal Francis Della Voila to the office of chamberlain in which position he will direct the affairs of the church during the convalescence of Cardinal Gibbons, apostolic delegate in the United States. He was named to the rank of chamberlain.

The allocation of the pope was strong appeal for political and social peace through restoration of religion and the influence of the church.

DON'T LEAVE ATLANTA No Need to Seek Afar - The Evidence Is at Your Door

No need to leave Atlanta to hunt up grub, because you can find it here at home. The straightforward statement of an Atlanta resident like that given below, bears an interest for every man, woman or child in Atlanta.

Mrs. Julia Newman, 11 Gaskill street, Atlanta, Ga., says: "I have used Doan's Kidney Pills off and on for many years and they have always helped me. I used to trouble with my face was all bloated up mornings. I had a deep seated pain in my right hip that shifted across my back and made it impossible for me to bend over. Often I got so dizzy that everything in front of me seemed to be black. As soon as I gave up the other remedy I had been taking and started using Doan's Kidney Pills, I got relief. They have helped me to drive away these ailments. When I could or exerted I had a terrible trouble since, a few doses of Doan's Kidney Pills have never failed to relieve me."

Price, ask at dealers. Don't simply ask for a kidney remedy, get Doan's Kidney Pills—the same that Mrs. Newman has. Foster-McBride Co., Props., Buffalo, N. Y.—(Adv.)

ATTEMPT OF YEGGS TO BLOW SAFE IS FAILURE

Store of J. M. Dodson Entered Sunday, but Safe Lock Resists Explosion

Yegmen who entered the store of J. M. Dodson, grocer and meat, at 357 Peters street, some time Sunday night, attempted to blow a safe with a charge of nitroglycerine.

The front and side parts of the safe were considerably damaged but the lock resisted the explosion. In the safe was between \$700 and \$800, found when employees arrived at the store early Monday morning.

The yegmen entered by breaking out a front window. Evidently the money in the safe was all they were after, as nothing in the store was taken. The attempt is believed to have occurred at ten minutes to 2 o'clock, as a clock on the wall near the safe had stopped at that time.

him their unreserved support. Many of the opposing faction, perhaps, for similar reason supported his candidacy. And as a result he was elected governor of Georgia. This was a great honor, an honor that most men would appreciate. But may I ask what does Governor Stanton think of it? Before he has served one year of his first term, he proposes to fling back to the people the conclusion which they gave him and which was in the form of a contract to serve two years as governor, and which carried an implied contract that if his first term should be satisfactory he should serve two more years.

He now undertakes to justify his course by saying to the people, "If you fall to elect me to a second term, I am going in the coming primary, I will take it to the polls."

"It means nothing of the kind: it clearly indicates that he is not willing to relinquish one job until he gets his hands on another. It is my judgment that the people should have an equal chance to abrogate their contract with Governor Stanton when he is seeking to have it done. Since the proposition is in such position he will direct the affairs of the church during the convalescence of Cardinal Gibbons, apostolic delegate in the United States. He was named to the rank of chamberlain."

CONGRESSMAN HARDWICK TO SPEAK AT EATONTON

FRANK APPEAL MAY BE HEARD TUESDAY

Bill of Exceptions Probably Will Not Be Presented Court Until Late Tomorrow

Indications were Monday that it will be Tuesday afternoon before the bill of exceptions on which the extraordinary motion for a new trial for Leo Frank on the ground of new evidence, will be presented to Judge Ben H. Hill for his signature.

Tuesday is the last day on which the appeal can be made by the defense. The bill of exceptions must be accompanied by a brief of the evidence, and the solicitor objected last Saturday to the bill of exceptions being presented on the ground that it was not in court signing of the papers on the ground that certain affidavits were not checked in sufficient length.

Monday the solicitor was still checking the bill of exceptions. The bill of exceptions will be presented to Judge Ben H. Hill for his signature.

CAMPAIN OF BAPTISTS INCREASES MEMBERSHIP

Four Hundred and Ninety Actual Additions Made to Atlanta Congregations

Four hundred and ninety actual additions to the membership of the Baptist congregations in Atlanta were reported Monday morning in the First Baptist church at the central meeting of the evangelistic campaign. At least an equal number of additional conversions were summarized. These results are the results of the first week of the campaign.

Leaders in the work take these figures as indicating that their fight is just getting active. They believe the result of the week two beginning will surpass by a considerable margin those just realized. Some of the results in the individual churches have been remarkable.

The meetings in the church at Inman yard have overworked the capacity of the building, and it has been necessary to secure a tent to hold them.

Gratifying reports were received Monday from the work in the negro Baptist churches. One hundred and thirty-eight of the total number of additions have been enrolled among the negro congregations. The remaining 352 represent the increase in membership of the white churches.

Afternoon meetings will be held in the First Baptist church this week. The central meetings each forenoon and the evening services will continue. Daily meetings in the Inman theater will continue this week. Evangelist U. S. Thomas will lead the meetings Tuesday and Wednesday.

No shop meetings were held Monday. They will resume Tuesday, with slight change in the schedule, and will be continued through Friday.

For losses considerably over six months, until their abattoir can be rebuilt.

The Jones & Ogden stable building, owned by Well Brothers, adjoining the abattoir, was destroyed. The property, valued at \$1,000, was lost.

Across Brady avenue from the destroyed buildings the stables of J. A. Carline and E. L. Tatum were threatened. The firemen kept these soaked with water and saved them. In the Tatum stables were thirty-five horses and mules.

Monday at noon the ruins were still smoking, and the burned carcasses of the animals were being removed. It is said the burned buildings will be rebuilt.

The methods of the New York cotton exchange have been used to rob the southern farmer for twenty-five years. We know how to stop them, and we will.
